**You Play My Heart** *by John Arthur Martinez & Jan Landry*

You play my heart. I'm a Spanish guitar.  
You touch my neck. I'm alive in your arms.  
The bolero begins We dance as one.  
You play my heart. I'm a Spanish guitar

You play my heart. I'm a fine violin.  
The vibrato so sweet As the bow hits the strings.  
Our passion is strong. A concerto is born.  
You play my heart. I'm a fine violin.

**Chorus:**

Note by note (note by note)  
Word by word.  
Line by line (line by line)  
Chord by chord.  
A beautiful song of you and of me  
Rhythmically rich, romantically raw, a new symphony.

You play my heart. I'm your mandolin.  
Vibrations in time Repeat on my skin.  
A tremolo touch. A musical score,  
You play my heart I'm your mandolin.
